

THE McNEILLS

Introducing The McNeills

One of the most watched Christian Artist Groups of 2016 and GMAA 2017 Group of the Year!

The McNeills are relatively new to the Christian music scene, having been in the the ministry for only 2 1/2 years. In that short time, they have had the opportunity to do some amazing things - bridging the generation gaps with their unique style, variety of music and their lineup. From praise and worship, to bluegrass, to a Capella, to country gospel, to the great hymns of old, The McNeills truly have something that everyone can enjoy.

It's often said when talking about music that there's nothing sweeter than family harmony. With a family of 12, ranging from 49 to 4 years of age, The McNeills are living up to that belief. Dad (bass/piano), Mom (mandolin, penny whistle), the oldest daughter (guitar) and the oldest son (fiddle/cajone) make up the main vocal group, but at different points in a concert, ALL of The McNeills join in for a concert that you won't forget. The group has been garnering attention across the nation, going into churches, singing at festivals and conventions, and being broadcast across the US on radio, as well as across the world with their viral video.
